## Regulatory Technician (1-year term)

### Yellowknife, Northwest Territories

The Mackenzie Valley Land and Water Board is part of the one of Canada's most progressive resource co-management regimes. Our job is to regulate and manage the use of land and water in the Northwest Territories using fair, inclusive, and transparent processes.

#### Job description

*As a Regulatory Technician, you will:*

- assist Regulatory staff to review applications of land use permits and water licences
- maintain the public registry by posting of documents online
- track compliance to permits and licences
- prepare and present recommendations to the Board

#### Compensation

- salary ranges from \$84,058 to \$107,952
- northern living allowance of up to \$26,000 per year
- generous benefits and vacation allowances

#### Qualifications

*We are looking for a candidate with these qualifications:*

- strong computer literacy skills and experience
- post-secondary training or experience in resource or environmental management
- knowledge of northern Indigenous culture and way of life

An equivalent combination of education and experience will be considered.

#### How to apply

*Please submit your cover letter and resume by **Sunday, April 7, 2024** to:*
